

we created the Emburse Champion Awards. Across eight categories, Emburse Champions were nominated for their tenacity in eliminating time-consuming tasks to make work better and easier for everyone.

Customers are at the heart of all we do, and your success helps us continuously improve.

To recognize leaders in spend management who share our commitment to humanizing work,

Congratulations!

BEC

The Beck Group

Aubree Combs and team

Humanizing the expense experience while enabling employees, approvers, and finance

Success highlights: • Automatically enforced compliance with custom expense rules • Improved spend visibility, enabling identification and reduction of non-reimbursable expenses

Through customizations, The Beck Group's finance team

gained greater spend insight as expenses feed directly

into custom analytics dashboards. Their employees and

approvers also gained efficiency, process satisfaction,

Vanessa Jong

The Little Potato Company

Emburse customers achieve amazing things every day. While we only had room for eight Emburse Champions, we heard so many success stories of finance leaders driving meaningful change.

We've been able to scale with ease, growing

headcount by nearly 50%, while reducing the reporting

• Fueled scalability, supporting 2x the volume of transactions without requiring new headcount • Made work more meaningful as menial tasks were automated and simplified

aligns with our purpose to enable our

to thrive, and is interwoven into how

we work daily.

clients, our people, and our communities

Emburse's goal to humanize work

Honorable mentions

Highlights include:

time frame by roughly 30% and reimbursement time

Emburse helps us support a flexible, hybrid workfrom-home model, improving employee engagement and work-life balance. This improves employee morale and allows for more teamwork and collaboration.
