

Hidden Gems

Dining Guide

Mining for the best local dining

We asked Emburse team members from around the globe to share their favorite (or favourite) local spots to eat and drink. It gave us a chance to honor small businesses worldwide while also proving how easy submitting expenses can be when you Emburse it.

Rather than keep these gems of gastronomy to ourselves, we've compiled them into this handy guide. So, regardless of what you're craving, tuck in! You're guaranteed to find a satisfying bite in these recommendations from the US, Canada, Europe, and Australia.

Happy eating!

Northeast

From seaside cities to mountain towns, the northeast packs a wide range of personality (and accents) into a relatively small slice of the American map. And the gems our team favor cater to an equally wide range of cravings.
